### Lap Swimming

When lanes are designated for lap swimmers; they are not for conversation, socializing or water walking.

When all lanes are occupied, swimmers may sign up for a lane with a maximum time limit of 30 minutes when others are waiting for a lane. Lanes may be shared if and only if the current swimmer is willing to share. There are swimmers of all levels and some swimmers are not comfortable sharing a lane and feel that it can be a safety concern to share a lane with others. Please be courteous to your neighbors and fellow swimmers. If no one is waiting for a lane, you may swim for longer periods of time than the 30-minute maximum time limit.
